December, 1896 - September, 1965

Mr. Harley Teel taught at Southern Illinois University for 30 years. After active duty in World War I, he became the principal of Carbondale's Brush Grade School. Hail, Hail to thee,
University School
all Hail!
While our bold Lynxes
fight,
We will never, never
fail.
Hold high its colors,
Our beloved maroon
and white.
Cherish its fine ideals,
For we know they're
always right.
Go Lynxes, Go
You know what to do.
Win, lose, or draw
We'll always be proud
of you.

"The way to gain a friend, is to be one." — Michelet

Exchange student visits U-High.

Students gather after Pep meeting.

Many fine opportunities are available to us here at University High. Our school has a definite purpose; to educate and prepare young people for the future. This involves more than just writing a paper, reading a book, or working a problem.

U-High affords all of the benefits of the larger high schools, with a small school atmosphere. School activities and organizations provide a means by which a student can gain recognition, fulfillment through service, and the joy of being with others. The many achievements by U-High students have made this year a very special one.

"Senior Citizens" surround a helpless Freshman!

Stumped again, "Smythe"?

Seniors

Well, our senior year is over. Graduation sends us out into the world from our safe, snug little school. Now we are on our own (almost). We hope that, in addition to happy memories, we have gained from University High School some of the knowledge we will need to lead good lives. So good-bye, U-High, and good luck to the students who will follow us.

Lynx stars enjoy a well-deserved break.

"A banquet in our honor? Gee, gang!"

"Hail, Mighty Senior!"

Hail, Mighty Juniors!

O. K., Steve, now what?

Our junior year is over! We have enjoyed the carefree status of a class with the privileges of the upper classmen but without the responsibilities of planning for the future. Our year has been filled with pain and pleasure, we hope that our experiences will enable us to be the mightiest seniors U-High will ever see . . . the class of '67.

Now, at last, we can look back over our sophomore year. In addition to the hard work in classes, we still found time for fun. This, the "in-between" year, saw us enthusiastically go further in becoming a part of our school and its activities. Being a step above the green freshmen led us to becoming full-fledged upperclassmen.

Freshman Ann Portz "slaves" for an upperclassman.

As we entered High School as Freshmen, we, as well as our parents, had high hopes and great expectations. Our parents expected us to burst into prime examples of adulthood and we expected to find high school the answer to all our dreams of good times. Our social position as Freshmen was only slightly better than it had been before, for although we were in high school, we were ruled tyrannically over by several groups of "senior citizens". But despite all the disadvantages of being small and insignificant, we will always look back on our freshman year as one of the best.

The "Mighty" Lynxes proved their name this season as they won first place in the Black Diamond Conference.

At the beginning of the season, our coach, "Doc" Bencini, suffered a back injury, but with the help of coach Bill Jackson, "Doc" was back in there helping the boys.

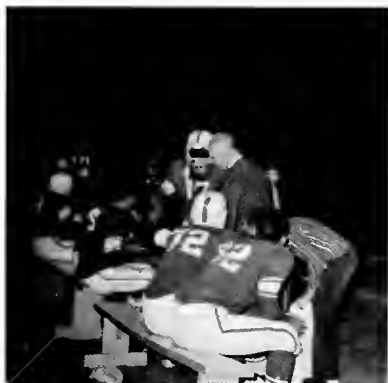

Co-Captains: Howie Webb and Kurt DeWeese.

Conference Champs

The Christopher game is one which will long be remembered. This game not only represented the desire, spirit and talent that both teams possessed, but the hours of practice and the excellent coaching by our beloved "Doc Bencini" and the very capable Bill Jackson.

The closing seconds proved rather phenomenal for the LYNXES as quarterback Gary Renzaglia, with only 26 seconds left, threw a 40 yard pass to fullback Kurt DeWeese, who raced into the end zone . . . and victory! U-High scores, 6-0.

We Scored!

Wrestling

The wrestling team, coached by Dr. Stotlar and Don Devitto, found it impossible to win in over-all competition because of its relatively small size. Under stiff competition from larger schools, coupled with many injuries, the Lynx wrestlers had to settle for individual successes. The team nucleus consisted of Bob Hoke and Bill Shoaff who turned in fine performances throughout the season. The season was a rough one for the squad as a whole, but since the team was young, and since experience is an important factor, U-High will be able to look for a fine team next year.

"Want an interview?"

"How's that, Coach?"

Varsity Basketball

ROW I. Left to Right, Gary Renzaglia, Tom McCormick, Jim Reed, Bob Aikman, Roger Tedrick. ROW II. Coach, Bill Jackson, Roger Norman, Bill Talley, Ricky Geilhausen, Mike Higgins, Tim Higgins, Denny Heisler, Chris Mercer.

The 1965-66 basketball season started off well this year with a 12-2 win for U-High and through the guidance of the best basketball coach a team could ask for, Bill Jackson, the team won a first place in the Black Diamond Conference. This was a first time conference win in the history of U-High basketball since we entered the Black Diamond Conference.

With the help of a good up-coming team, we hope to see U-High enter with the same spirit and force in next year's games.

Put that ball in!

Make that basket!

The Lynxes have played another remarkable year of basketball, showing skill and fine sportsmanship.

Under the training of Coach Bill Jackson, the boys have come through the Black Diamond schedule with a no-conference loss. As a result, the Lynxes won first place in the Black Diamond Conference.

These boys have shown that hard work, spirit, and showmanship have made a great team.

With this in mind, we will look forward to another fine year although the team will suffer a slight loss with the graduation of a few of its seniors. But we're sure that the up-coming seniors will see that the other teams get that same tough competition, and another good record of plays.

Coach Jackson gives sideline pointers.

A Favorable jumpball.

Freshman Basketball

It is always good to look at the Freshman team as future Varsity players, and with the Freshman team we had this year, the future looks very bright.

Under the coaching of Bill Jackson, and the ability of the boys, we have been shown what a fine Freshman team can do.

Student Council

Student Council, under the leadership of Bob Aikman, Student Body President, has functioned well as the governing organization of U. High. The Student Council has followed its tradition of numerous projects, goals, and successes. Members of the council participated in various conventions, conducted elections and sponsored school activities. A new group, the Community Project Committee, C.P.C., was established this year. In connection with the Peace Corps, it began raising funds to build a school in a foreign country.

"Tower" Brings Back Memories

An old yearbook can bring back many memories. This year's staff has tried to highlight some of the activities of a year. They have tried to include that intangible something that makes the students and faculty real members of the organization where they work and learn and grow together.

Working on the TOWER requires responsibility, creativity and patience. With the help of the co-editors and sponsor, the section editors and staff learned much about the production of a yearbook.

"Tower Times" Keeps U-High Informed

The "Tower Times", U-High's bi-monthly newspaper, informed the students of past, present, and future happenings of interest within the U-High area. The paper was highlighted with editorials, VIP interviews, sports articles, and club reports. Ending another successful year under a new sponsor, Miss Huff, we salute the staff.

Speech

The art of oral expression is a great achievement and one to be proud of. This art comes only through hard work and determination. U-High's speech members achieved this art as was shown in the results of their tournaments. With the help of their coach, Miss Lloyd, they were able to place high in each individual event.

Communicating one's views and supporting them with evidence is another phase of this art. Our debate team accomplished this well as was demonstrated by their meets. They spent long hours researching for the topic - Resolved: That the Federal Government should adopt a program of compulsory arbitration in labor management disputes in basic industry.

Blueprints Today, Foundations Tomorrow

With this as the theme, the FHA worked hard to make another successful year. Many of the meetings were highlighted by interesting people who spoke to the girls on the Show Wagon, Christmas decorations, and judo. In addition to the St. Louis Trip, Pre-game supper, Reception and the Splash Party, Ma, Pa, and Me was added to the schedule of activities.

Key Club Serves School and Community

Key Club is a group of boys interested in giving service to the school and community. They celebrated the Thanksgiving holiday by donating food to needy families in Carbondale; sold trees during the Christmas season; sold food at SIU football games; and provided the Lynx fans with refreshments at our home basketball games. Key Club also printed a school directory this year for the student body.

El Club de Espanol, Spanish Club, and their sponsor, Mrs. Bork, have planned and carried out various activities this year. These included a speaker, Dr. Artiles, from the Canary Islands and a Christmas party complete with a pinata. In connection with French Club they worked on preparations for a Language Club Week and their annual picnic at the end of the year.

French Club, or Les Enfants de la Tour with their sponsor Miss Kupcis have worked on several projects. A Halloween party began the year and invited new members to join the club. Christmas caroling and a party helped to celebrate the holidays. At a meeting French Club was visited by two Peace Corps volunteers who had served in Columbia.

This year the Science Club has encouraged students to enter science fields through various activities. District and State Science Fairs highlighted many hours spent by each member. Throughout the year the members found time for cave exploring, geological excursions and seminars given by the students themselves. Their main interest dealt with the conservation project to preserve the blue bird and with the building of a nature trail.

Radio Communications

"Furthering education in the field of electronics, amateur radio operation and civil defense procedures" is the aim of the Radio Communications Club. This has been accomplished through various activities; announcing the home football games, manning local hospital radio station, and participating in both the county and state Civil Defense Networks.

The rush for Lynx pennants is on.

Pep Club was interested in promoting school spirit in all school activities this year, but their main concern was enthusiasm for sports. The halls were filled with posters and "Lynx" pennants were sold to help advertise the games. The mascot, Robyn Feigenbaum, also helped to cheer the Lynxes to victory in basketball.

Shall Live, to Die

The Christmas Concert at Shryock Auditorium and the State Music Contest were two important events that meant hard work for U-High's Choral groups. Under the direction of Dr. Taylor, the Mixed Chorus, Girls' and Boys' Chorus worked hard to perfect these two performances and others they participated in: Choral Clinic, Christmas assembly, and Spring Sing.

The Madrigals, selected from the Mixed Chorus, were the busiest of all music groups. Over the years they have gained a reputation for the quality of their performances and are frequently invited to sing for meetings and banquets.

This year, for the first time, an orchestra was organized at U-High. The members received a full academic credit. Although the group was small, the members performed with high quality. They performed with band and chorus at several concerts under the direction of Mrs. Gardner.

Due to lack of membership, we were not able to have a marching band. However, a Pep Band was formed which played at football and basketball games. The band under the direction of Dr. Tarwater added to school spirit.

G. Doerr, S. Ramp.

Play cast of "Aria da Cape", R.
Hastings, K. Whitener, J. Garbutt,
A. Jones, E. McHale.

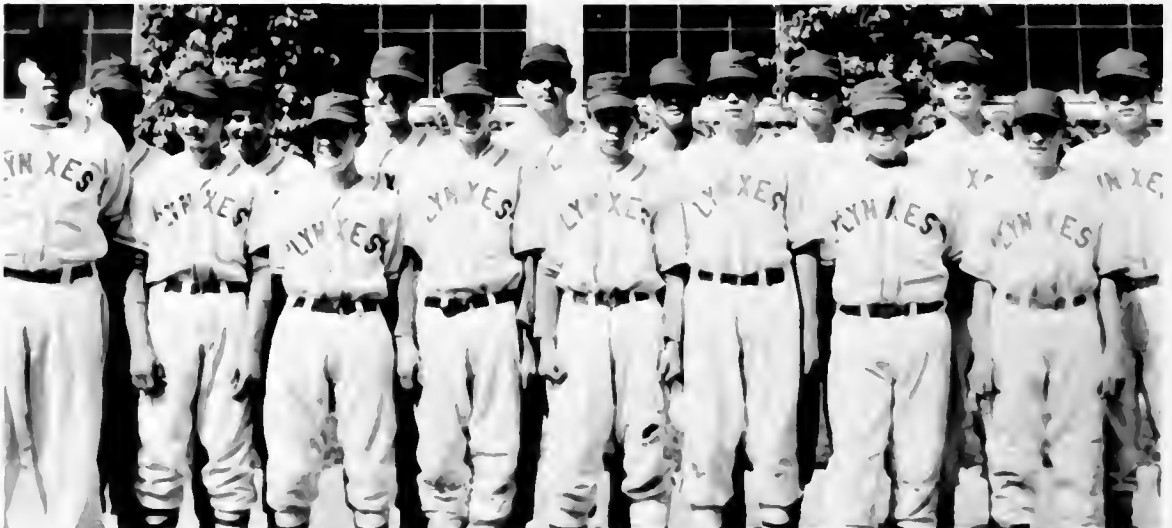

FIRST ROW: A. Westley, T. Higgins, D. Winsor, J. Lipscomb, D. Heisler, Manager Schultz.
SECOND ROW: J. Chaney, R. Tedrick, K. DeWeese, K. Edelman, Coach Jackson.

This year, our Lynx baseball team won 3 games, with 7 games rained out. Tim Higgins was our strongest pitcher, while Roger Tedrick led a strong batting department. The speedy Lynxes were led by Abraham Westley who stole 11 bases. Lipscomb, Winsor and Tedrick, who made an exciting triple play against Johnston City, were defense stars.

Coach Jackson was disappointed about the 7 games rained out, but was happy with the way our team looked when they did play.

FIRST ROW: Coach Jackson, J. Chaney, J. Johnson, F. Levinson, D. Hill, P. Renzaglia, J. Rahe. SECOND ROW: K. Edelman, L. Jacobs, J. Lipscomb, B. Williams, R. Lee, J. Rist, D. Koepsell, J. Rawson.

Track

ROW I: S. Brumley, K. DeWeese, J. Smith, H. Webb. ROW II: T. Alcorn, K. Portz, H. Kinnard, J. Olsson. ROW III: M. Bedford, B. Borkon, S. Nauman, C. Gordon, H. Koplowitz, J. Stewart. Coach Stotlar, E. Byler.

U-High's track team is small and therefore doesn't have a lot of depth. Despite this fact, they had a fine season with a good showing in the conference. Only three seniors will be lost through graduation, and Dr. Stotlar feels the future looks promising.

"What ball game???"

Hey, Joe! Where's the team?

T. McCormack, P. Belbas, W. Kraft, M. Van Ausdal, Coach Mahaffey, G. Easterly, J. Reed

Including the district golf meet, the golf team had a 24-6 record. The team, coached by Dr. Jenkins and Mr. Mahaffey, had only a mediocre season until the district meet, often playing well one day and poorly the next.

Finally, at the district meet, the team shot an excellent score and was leading at the end of the first nine holes in the eighteen hole event. The team slipped badly on the last nine, and finished fourth in the tournament.

It was an excellent year for golf since this was the first University School golf team in many years.

The Tower proudly presents the University School swimming team--Bill Borkon. Though Bill is the only member of the team, he won 5th place while representing our school at the district meet.

Working out every day with Ralph Casey and the SIU swim team is not easy, but Borkon works hard and competed in the AAU meets in St. Louis and Chicago.

Borkon's favorite is the individual medley, an event requiring skill in four strokes.

Bill's main comment is "Come out for swimming next year!"

Eden's Deep Prom Night '66

Climax of the evening--the crowning of the queen.

Seniors relaxing between dances.

Janet reigns over Prom '66.

The long, hard hours at Prom House proved worthwhile as we reflect on Prom '66. Couples entered the world of Eden's Deep as they stepped through the doorway of the Ballroom. They enjoyed the banquet with Mr. Robinson as speaker, the dance, and Operation Prom. The crowning of Janet Valentine as queen climaxed the evening. Congratulations to the class of '67 for one of the most beautiful Proms ever!
